

Are you a 'Rusty Pilot'?

For pilots who have not flown for a year or two or more, this three-hour seminar will bring you up to speed on the changes in the aviation world since you last flew, as well as a review of all those bits of aviation knowledge that have drifted away over the years.

Directions: Seminar will be held in the terminal building. Look for signage.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
